Hi Everyone,

Based on a discussion today with our Community Affairs Division Director, attached are two (2) letters that we (CAPS) have drafted to be sent to the owner(s) of the Lawson Road property that we inspected on March 30, 2022. Based on a review of the Corporations Database, I found a different company, JD Masonry, with the same PO Box address as RB Hauling. This was different than the Davidson Bob Moving and Construction address we had on Harbeson Road/RR5 in Harbeson.

Please let me know if you have any additional items you would like added to these letters and I'll make any amendments. They are identical except for the Address box and the To lines.

Thanks,  
Adam
